

Fluvanna County Radio Control Flying Club

Learn To Fly...

With your feet on the ground!

The Fluvanna County Radio Control Flying Club invites you to join the exciting hobby of R/C model aviation.

The main emphasis' of our club is to promote the joy of model aviation, to maintain the FCRCFC club field, advocate both physically and politically for model aviation, and to promote good fellowship and community relations.

Each month the club holds a general meeting. At these meetings we may have speakers on subjects related to the hobby, show and tell where our members bring out their pride and joy or current projects, and of course our club 50/50 raffle.

Benefits of joining the FCRCFC include:

- Free basic flight instruction & demonstrations.
- We will assist you in choosing the right airplane and equipment.
- Up to a 15% discount on purchases at our local supporting hobby shop to help get you started.

Multiple AMA sanctioned club events including:

- IMAA "Large Scale" fly-in. (All aircraft are 1/4 scale or a wingspan of at least 80").
- Annual Club Fly-in including all types of flying models, BBQ and meet/greet.
- Annual "Spring-Fling" Indoor R/C flying event. Inc. Demos, Swap Meet, Show and Tell.
